

Tioga Downs Expansion-

A public hearing was held for Tioga Downs in Binghamton NY, on September 18, 2015. Many local officials made appearances at the event to show their support for this great economic opportunity for the Southern Tier. Our own Director, LeeAnn Tinney, made an appearance on behalf of Tioga County Economic Development and Planning to show continued support for this project.

Tioga Downs submitted their Southern Tier Gaming Application in early July and are currently awaiting the Gaming Boards decision; which is anticipated for later this year.

Bioenergy Lab and Demonstration-

This event will educate as well as demonstrate the cost-effectiveness of renewable heating systems. This demonstration will be hosted at Tioga Downs on October 22nd from 10:30am-2:00pm.

- There will be information on grants and financing programs in New York State.
- System installers and manufacturers will be present to answer any questions you may have.

Please RSVP by October 9th by calling (607) 724-1327.

Upcoming Events-

- *Tioga Chamber of Commerce Business Show Oct. 8*
- *Bioenergy Lab and Heating Demonstrations Oct. 22*
