

HOUSEHOLD HAZARDOUS WASTE PROGRAM

Household hazardous waste is unusable home and garden products, which contain hazardous chemicals. Examples are pesticides, fertilizers, household cleaners, oil-based paints, oil-based driveway sealers, and pool chemicals.

The improper use, storage or disposal of household hazardous waste may pose a risk to the health of humans, animals and the environment.

To reduce these risks, Tioga and Broome Counties have worked to include Tioga County residents in the use of Broome County's permanent Hazardous Waste Collection Facility. Wastes will be packed and shipped by trained personnel and disposed of in an environmentally safe manner.

HOW TO PARTICIPATE

PLEASE PRINT CONFIRMATION LETTER BEFORE BRINGING MATERIALS BY GOING ONLINE AT WWW.TIOGACOUNTYNY.COM:

Click on RECYCLING/HAZARDOUS WASTE PROGRAMS in the left column.

Click on "TIOGA COUNTY RESIDENT'S CONFIRMATION LETTER". Print and bring this with you on any of the days the Household Hazardous Waste is scheduled.

You may bring your waste on any of the following collection dates for **2010**:

APRIL	7, 10, 24	AUGUST	4, 7, 21
MAY	5, 8, 22	SEPTEMBER	1, 11, 25
JUNE	2, 5, 19	OCTOBER	6, 9, 23
JULY	7, 10, 24	NOVEMBER	3, 6, 20

between 7:30 am and 11:30 am to the Hazardous Waste Collection Facility located at the Broome County Nanticoke Landfill. Please do not bring hazardous waste to the Barton Transfer Station.

**** If you do not have access to the Internet, please call the Barton Transfer Station for information on registering.**

There is no charge to use the Household Hazardous Waste Collection Facility.

Forming a carpool is encouraged. Get together with your friends, neighbors, church or civic group and transport your items in one vehicle.
