

DEAN CREEK PUBLIC MEETING

Rehabilitation of Pelto and Pylkas Dams

The Dean Creek Watershed Sponsors are working in cooperation with the USDA Natural Resources Conservation Service (NRCS) to develop a plan for rehabilitating the Pelto and Pylkas Dams in Tioga County.

A virtual public meeting will be held to discuss the dam rehabilitation program, planning activities to date, the various alternatives evaluated, the recommended alternatives, and the planning schedule. NRCS, County, Town and District officials, and their consultants will present detailed information and discuss your questions and concerns. Please plan to participate.
