NOTICE OF VACANCY

WASTEWATER TREATMENT PLANT OPERATOR / TRAINEE – Village of Owego

Date of Issue: 08/14/17; This is a trainee position involving responsibility for learning the duties and routines of the operation and maintenance of a wastewater treatment plant. The term of appointment is dependent upon the complexity of the treatment plant operations as regulated by the New York State Department of Environmental Conservation (DEC) in Part 650 of the New York Code of Rule and Regulations. Upon satisfactory completion of the training and experience requirements as defined by the DEC, and receipt of the appropriate Operator Certification, the trainee receives permanent appointment as a Wastewater Treatment Plant Operator without additional examination. Work is performed under the immediate supervision of an appropriately certified operator. May exercise supervision over motor equipment operators or other subordinate employees. Does related work as required.

The title of Wastewater Treatment Plant Operator / Trainee is **Competitive**, requiring applicants to meet minimum qualifications established for the position and successfully meet civil service examination requirements. **Civil Service examinations are conducted the 3rd Thursday of every month.** For more information, please review the examination announcement for Water / Wastewater Treatment Plant Operator / Trainee.

Status: Permanent
Work Hours: Full-time
Salary: Determined by Village Board; benefit package available
Location: Village of Owego

Minimum Qualifications:

Trainee: Graduation from high school or possession of a general equivalency diploma.

Operator: Graduation from high school or possession of a New York State high school equivalency diploma AND eligibility for an appropriate Plant Operator's certificate issued under the provisions of Section 650 of the New York State Code of Rules and Regulations. Possession of the certificate at the time of appointment. Qualifications for certification vary according to the Grade of Wastewater Treatment Plant, as determined by the New York State Dept. of Environmental Conservation (DEC).
