

**COUNTY OF TIOGA  
EXECUTIVE PROCLAMATION**

WHEREAS: The health and well-being of Tioga County residents are safeguarded daily by the dedicated efforts of public health professionals, whether dining out at restaurants, accessing clean water, or learning how to prevent illnesses or chronic diseases; and

WHEREAS: We all have a role to play in advancing public health. By fostering community connections, preparing for climate-related challenges, promoting equity, and speaking out on issues that impact our collective health; and

WHEREAS: A healthier Tioga County is within reach when individuals take personal responsibility to improve their well-being, such as avoiding tobacco, staying current on vaccinations, engaging in regular physical activity, and choosing nutritious foods; and

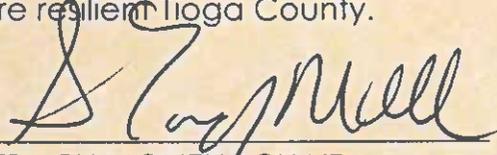

WHEREAS: National Public Health Week highlights the achievements of public health and the challenges that remain. Tioga County Public Health supports our community through vaccination efforts, services for children with developmental needs, safe housing initiatives, environmental health enforcement, dental care for underserved families, and child passenger safety education; therefore

THE TIOGA COUNTY LEGISLATURE, County of Tioga, does hereby proclaim the week of April 6 -12, 2026 as

**PUBLIC HEALTH WEEK**

And urges residents to participate in Public Health efforts through advocacy, education, and collaboration by working together to build a safer, healthier, and more resilient Tioga County.
